Saved for my Hunk !!!

Lori
Well I can't say
I enjoyed all the
classes we had together -
not your fault of course,
just the subjects we studied.
Photography was o.k. - Cap sucks
though. Anyway - have a
great summer, take care of
mike. "Follow your dreams
and your rainbows will
never fade.

friends
always

Lori, was
nice having
Photography
together
Have a good
Summer

Phil Peterson

Lori,
well I finally got
around to
your book for the
before. I really don't know
to get the words on paper that
want to say but I really would
you to know what
made my senior
real happy and I became
other + became
now. We are going on
anniversary + it really looks like we are
to make either as
the best of friends. I would like to wish
you a big success in whatever you
decide to do as a career. You have
really changed my life + I will never
forget you whenever you are.

Love Always,
Mike Hartstad

P.S. Sorry so late.
(2-12-84)

Lori, I'm glad we're friends. I hope you have a great summer. Please write me. I'll miss you. Have a good time at Disneyland. Maybe I'll see you there. Thanks for the memories. Love, Phil Peterson 763-7985

Principal's Message

As we bid farewell to the Class of '83, I must reflect on the drastic change that each of the class member's lives will experience upon graduating. For some time this class has had a common identity, an on-going group with whom to relate, individuals who appreciate and understand, and a familiar group in which to learn. Late in May this will come to an end and changes will be necessary. The Jefferson staff has endeavored to provide good models, a good atmosphere in which to learn, and appropriate expectations for each person. We hope that our efforts have provided a rich and rewarding growth experience. I encourage each graduate to continue learning and to never stop growing because life continues to demand adjustments to change.

My wish, for each member of the Class of '83 as they move on, is courage, strength, energy, peace, and faith. Your future is truly in your hands; may you mold it with purpose and meaning.

Keith G. Redfield

Lori, was g't having with class! we didn't nice health bad together. maybe you. to more have we'll have next year mike. Don't do it easy on wouldn't do. I wish you anything summer. Arsan a nice '84 Lori - Hey Kid How are you? Radar's class was totally wasn't it? I mean just X. Oh well at least we don't have to come back to it. Have fun this summer and take care. School Song

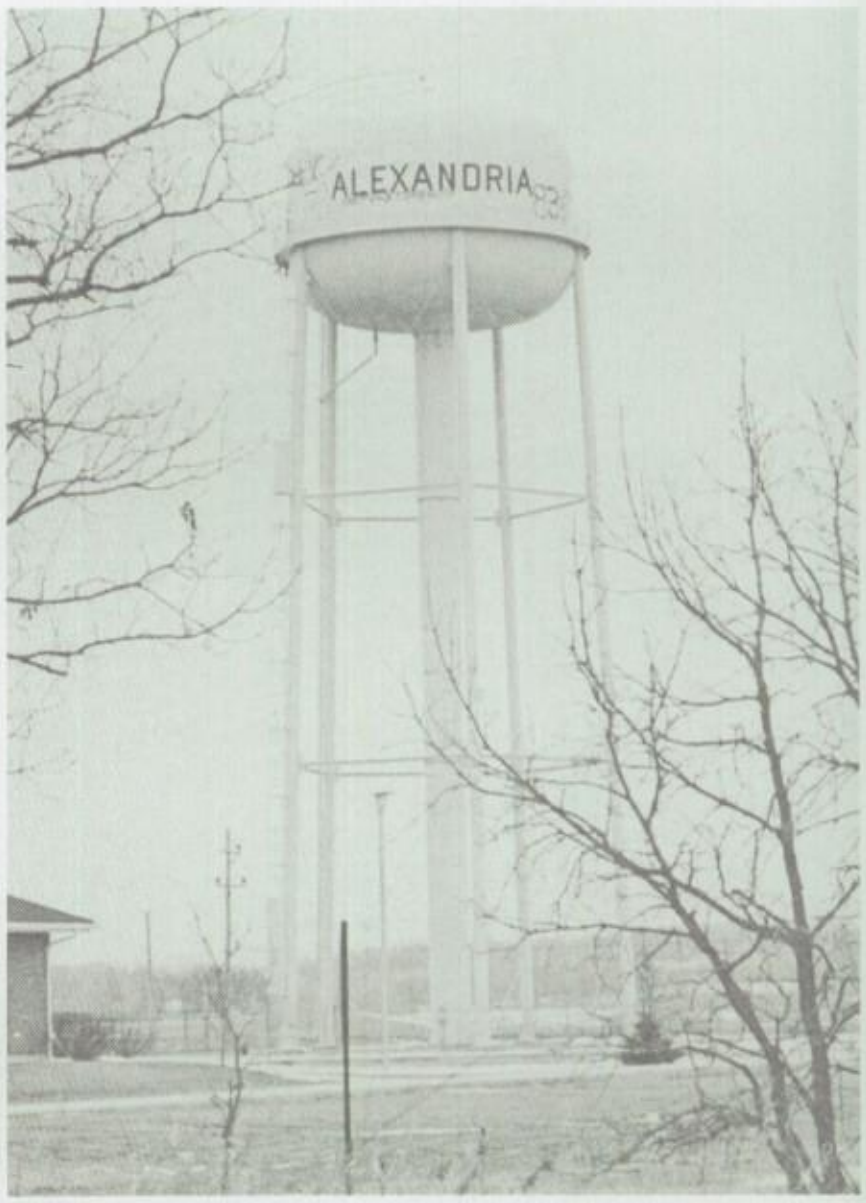
Cheer O cheer for Alex
Shout 'til the rafters ring
We're gonna yell o yell for our team
Alexandria · Rah! Rah! Rah!

Never give up hope boys
Fight until we win
Always looking onward
Doing the best we can.

We can beat ol' _____
As we've done before
Because we can help our team
By yelling Alexandria
Rah! Rah! Rah!

Fight for dear old Alex
And we'll win this game
And we will carry on forever
Dear ol' Alex's name.



Looking Back

1982-83 was a special year, one filled with a variety of dreams, some realized, others broken. Gina Vorachek reached the 1000-point mark in basketball and Todd Kopet appeared on national television. The Jefferson choir was forced to turn down the opportunity to sing at a festival in Europe. While our President was telling us that it was a year to "stay the course" it was a year for some changes at Jefferson. Dr. Redfield was transferred from the junior high school to become Jefferson's new principal. A new track was installed at Citizen's Field and the cafeteria received a "super graphics" facelift. 1982-83 was a year of disappoints and triumphs. The football, basketball, and wrestling teams struggled through tough seasons. The girls' swim team, by contrast, took the region title and went on to state competition. The noon-hour radio program and the new student lounge, complete with vending machines and video games, helped students cope with the closed lunch policy. The school band captured the crowd's attention with a spectacular half-time show at the homecoming game.

It was also year fads and fancies · Diet Coke, Walkmans, E.T., Garfield, Smurf, Pac-Man, "gag me" and "awesome", Levis, football jerseys, legwarmers, and pink and green. But no style ever came close to that "Fergy" look! Favorite rock groups included "Men at Work", "Stray Cats", and "Asia".

But most of all it was another year of wonderful memories · the Daisy Dillman Band at the Back to School dance, Homecoming, Midwinter, the Christmas Ball, Gingham Ball, and the Prom. We remember the spirit stick competitions, hall decorating, sports banquets, the Jefferson Knowledge Bowl team, and the great flower giveaway. Memories of fall and spring music concerts, "Mr. Scrooge", and "Inherit the Wind" are as clear as those of the boys' cardinal danceline, the National FFA convention, and bus rides to conventions in the Twin Cities. We remember ordering graduation announcements, being measured for caps and gowns, making plans for next year, popcorn in homeroom, and saying "Good-bye!" to good friends! There will never be another year exactly like 1982-83!

FOREIGN EXCHANGE STUDENTS: Mahunga Maru, Sue McHugh, Sara Hooper, Yoshie Kiyohara

Foreign exchange brings countries, continents, and cultures closer

Sarah Hooper, Yoshie Kiyohara, and Mahunga Maru were foreign exchange students from Australia, New Zealand, and Japan. They came to learn about our lifestyles and teach us about their cultures.

Sarah Hooper arrived in Alexandria in July from Darwin, Australia. Sarah was involved in many clubs and events this year including the fall play, the Student Council, and the AFS club. She also helped direct the Cardinal danceline. Sarah lived with the Morris Grover family.

Yoshie Kiyohara was from Japan. Yoshie was involved in the Student Council and band. Yoshie especially enjoyed the variety of subjects and the less rigid rules of Jefferson. While in Alexandria she lived with the Roy Anderson fmaily and the Larry Zilliox family.

Mahunga Maru, known to many as Kiwi, came from Gisborne, New Zealand. While in Alexandria Mahunga was involved in football, tennis, the Student Council, the AFS club, the A-club, and the Cardinal danceline. Kiwi lived with the Vernon Kuhlmann family.

All three students enjoyed the friendly atmosphere and enthusiasm of Jefferson and would like to return to Alexandria in the future.

Sue McHugh of Alexandria spent the summer of 1982 in Germany as an American foreign exchange student. While in Germany Sue lived with the Otto and Ins Potzak family in Rheinfelden. Sue and her German family enjoyed camping, backpacking and hiking in the mountains. She especially enjoyed the countryside of the Black Forest. Sue plans to return to Germany through the International studies program in the future.

Theme, "Up Where We Belong" *radiates through Homecoming festivities*

The week of October 4th was a very active week for the Jefferson Senior High student body. Coronation took place Monday night at 7:30. Tenley Anderson was crowned Homecoming Queen by 1981-82 Queen Mona Hegstad. Steve Myrin was crowned king by 1981-82 King David Holm. Class team competitions between the sophomores, juniors, and seniors started Monday night with a scavenger hunt. The competition continued throughout the week with Hall decorating, class relays, a HO-HO eating contest, and the car decorating competition. The seniors were the overall winners. The homecoming football game was against Elk River. Following the game was an alumni tea and a traditional homecoming dance with music provided by Swift Current.

MIDWINTER ROYALTY ROW 1: Michelle Kern, Marilee Kemp, Princess Gail Sax, Sue McHugh. ROW 2: Brett Tewes, Mark Huffman, Prince Rick Schoenrock, Ron Krafka.

Midwinter warms spirits of student body

"Two Less Lonely People in the World" was the theme song for the 1983 Midwinter week. Midwinter coronation was held before an enthusiastic student body on Tuesday, February 1, 1983. Brad Schultz and Sue Haskins served as emcees for this special and traditional event. Midwinter Royalty included Rick Schoenrock, Brett Tewes, Ron Krafka, Mark Huffman, Gail Sax, Michelle Kern, Marilee Kemp and Sue McHugh. The crowd went wild as the 1982 Prince and Princess, Eddie Niblett and Tami Lewis, crowned Rick Schoenrock and Gail Sax the 1983 Prince and Princess.

MIDWINTER "83"

A week of activities involves everyone

The 1983 Midwinter Week at Jefferson began on Monday, January 31, which had a western theme. Many students wore cowboy hats, vests and other western garb. The student council planned special activities for each day of the week including a hall decorating contest, pitting the sophomore, junior, and senior classes against each other. Other festivities included the coronation of Midwinter Prince and Princess, uniform day, pajama day, a softball tournament, a pep fest, and a great dance on Friday with music by "Shades". Perhaps the highlight of the week for most students was the opening of the new student lounge across from the cafeteria.

GODSPELL, *first play performed for student body in past eight years*

GODSPELL, a contemporary musical adaptation of the Gospel according to St. Matthew, was presented as the spring play at Jefferson Senior High School. It was a modern rock interpretation of the life of Christ. GODSPELL was performed Friday, April 30 and Saturday, May 1. The production was enthusiastically received by large audiences. Each performance was given a warm standing ovation. After the final scheduled performance, the decision was made to perform the play for the Jefferson student body on Monday morning.

"Mr. Scrooge", a musical version of Charles Dickens "A Christmas Carol" was presented as this year's fall play. Because of the tremendous turnout for auditions, the play was double cast to allow as many students to participate as possible. From the grouchy Scrooge to the innocent Tiny Tim, students created a rich variety of characters. Audiences enjoyed six performances of "Mr. Scrooge."

SCHOOL BOARD: Alan Zeithamer, Neil Garrett, Robert Anderson, Kathleen Haining, Dr. Jerome Mohs, Dr. Richard Stewart, Dr. Joseph Merickel.

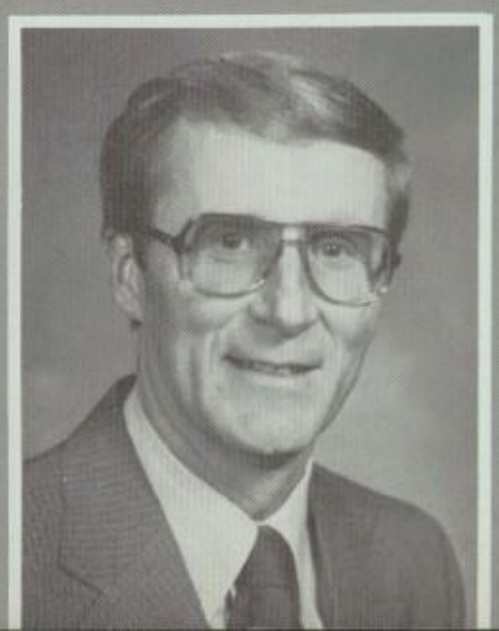
The administration and school board of District 206 had the task of balancing the budget in 1982-83. Due to the depressed economy, the state of Minnesota found itself short of money causing severe cutbacks in the funding of education. State funding reduced District 206's budget by nearly one million dollars. As a result, the school board reduced services and personnel of many departments and activities.

Acting Superintendant, Mr. Vern Maack, conducted a community survey to give people the opportunity to express their views regarding the school district. One of the interesting sections asked residents to grade the school district. Fifty-eight percent of the respondents rated the schools an A or B, which was 11 percent higher than the national poll average.

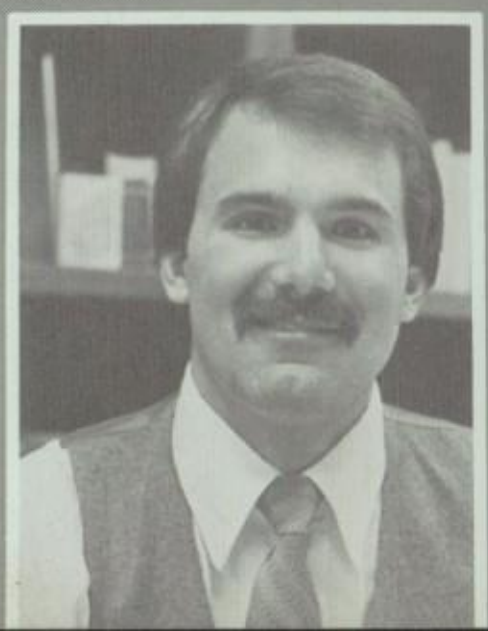
SEATED: Acting Superintendent Mr. Vern Maack; Director of Community Services and Personnel Mr. Wayne Elton. STANDING: Business Manager Mrs. Jan Esala; Athletic Director Mr. Dale Serum.

The 1982-83 school year brought a new principal to Jefferson. The change resulted from a rotation of principals throughout District 206. Replacing Mr. Knowles was Dr. Redfield, previous principal of Central Junior High. Dr. Redfield considered the year very enlightening and rewarding. He appreciated the seriousness in which senior high students approached their education. He also enjoyed the opportunity of finding our more about Jefferson. Congratulations to Dr. Redfield for a successful first year as Jefferson's principal.

Principal Dr. Keith Redfield



Asst. Principal Mr. John Backes



SECRETARIES/AIDES: Mrs. Bell, Mrs. Engstrom, Mrs. Trenne.

This past school year, all of the teacher aide positions were eliminated from Jefferson. Their duties were placed on the teachers and some of the work was shared by the office secretaries. The secretaries continued to work for the students and faculty in addition to their added responsibilities. Mrs. Trenne sold lunch tickets, $8 for two weeks or 90¢ a day. Mrs. Bell kept track of where all 943 students were, or weren't! Mrs. Engstrom handled paperwork and phone calls for Dr. Redfield, Mr. Backes, and Mr. Serum.

COOKS: M. Josselyn L. Pierce, D. Vangstad, A. Dobmey, B. Scott, M. Okerlund.

At 5:30 am, when most students weren't out of bed yet, three dedicated cooks were already at Jefferson preparing lunch. With a new closed lunch policy, the number of students eating in the hot lunch progran increased to over 600.

Students had their choice of three luncheshot lunch, sandwich, or the salad bar. The most popular choice was the sandwich line, particularily the french fries.

CUSTODIANS: Donald Schneider (head custodian), Monty Hevern, Dick Aga, Ron Lorsung, Vern Pfeffer, Ron Sax, Pete Marotteck.

The work of Jeffersons' custodians seems to be neverending. For 24 hours a day, 5 days a week, and many weekends, the custodians do their best to keep everything running smoothly. Repairing lockers, cleaning halls and rooms, and keeping the ventilation systems working are all a part of their work.

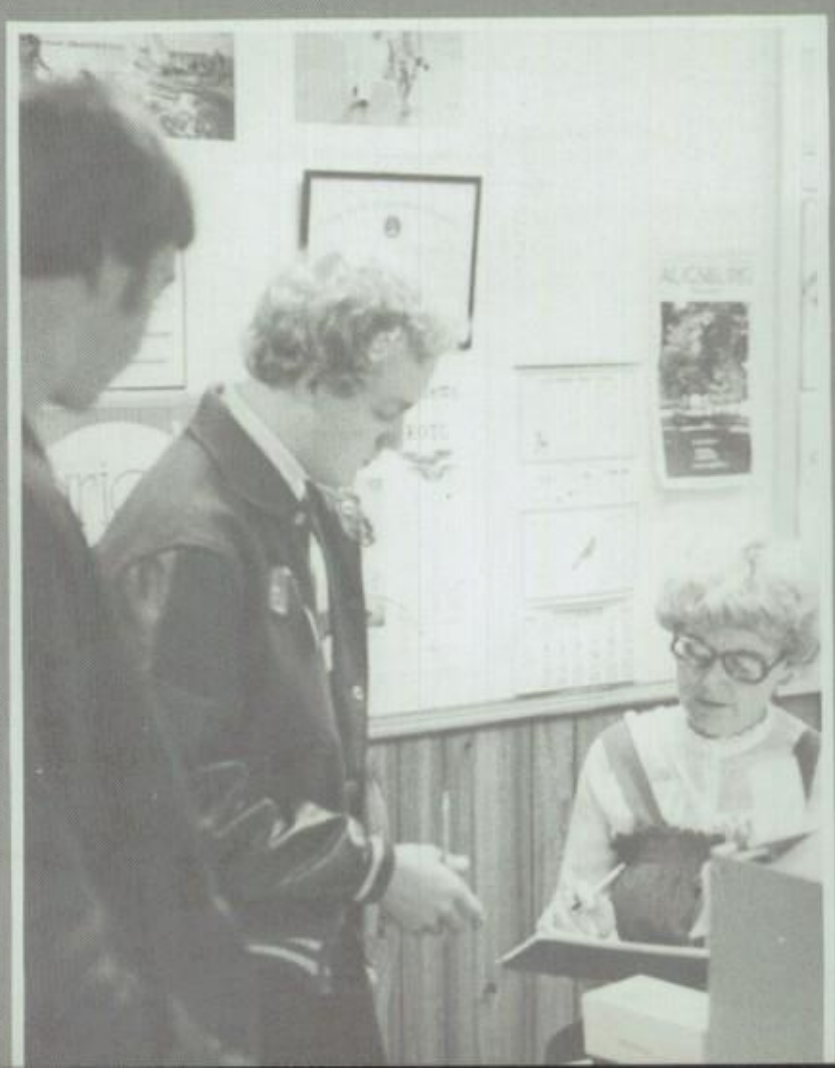
The custodians major project is doing all the cleaning of the school during the summer after school is out. Their dedication and effort help to make the school run smoothly.

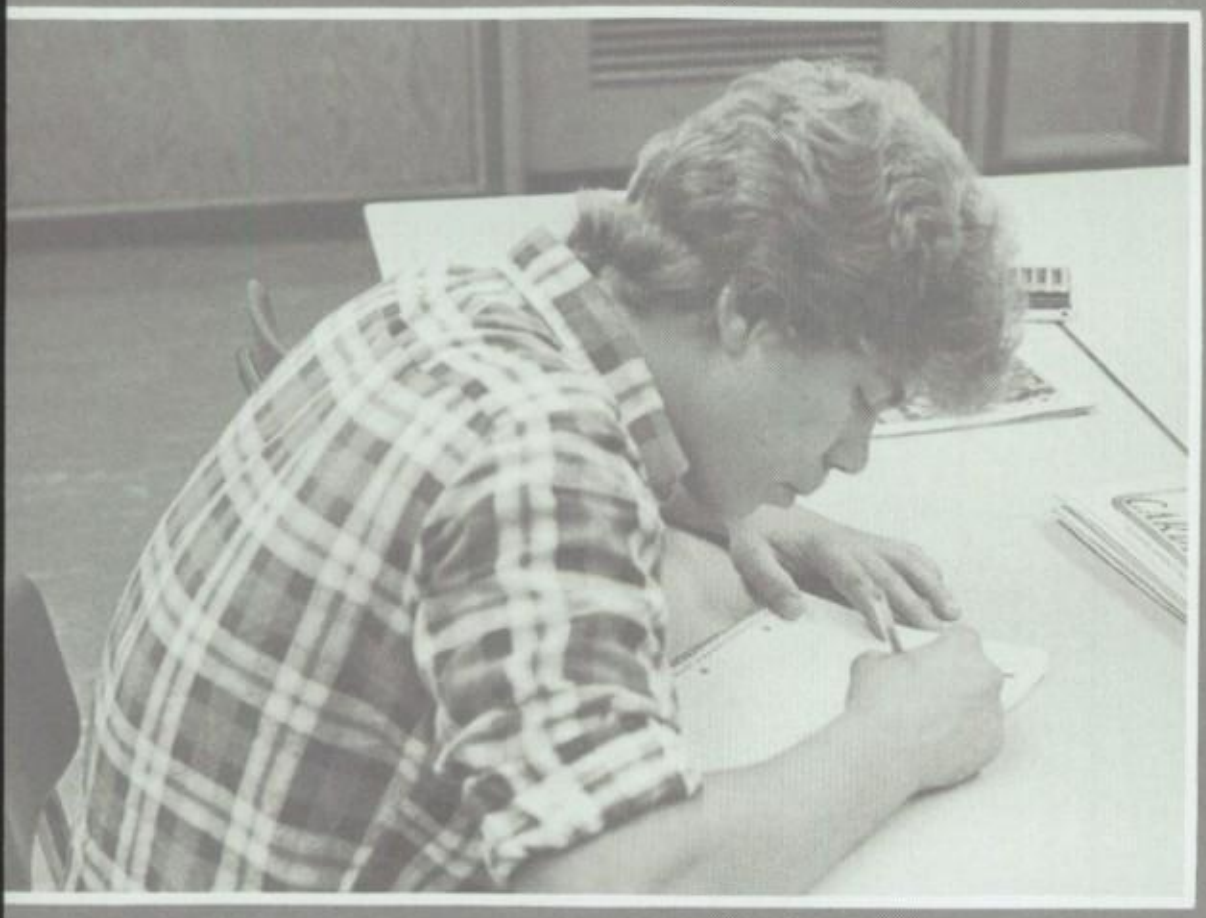
Nursing and guidance services offer students more than bandaids and soft shoulders

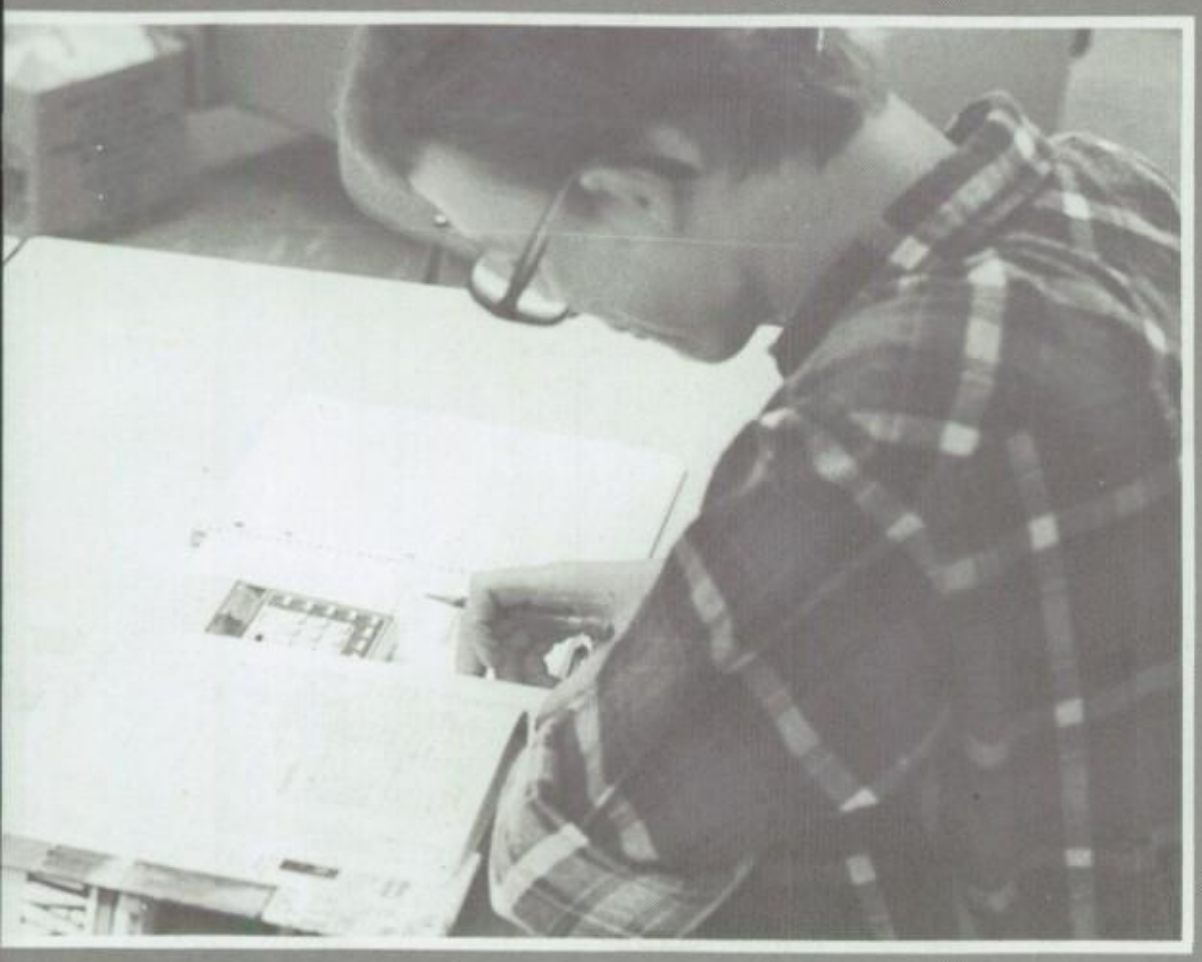
The guidance office is a place where students go for answers to a variety of questions. This department is specialized in helping students choose classes and aiding future graduates in determining lifetime plans and goals.

The Health Service provides first aid and a variety of related services including vision and hearing testing, immunizations, and personal medical concerns.

NURSING AND GUIDANCE DEPARTMENT ROW 1: Mr. W. Peterson, School Psychologist; Mr. L. Sisko, Counselor; Mr. M. Faciotto, Counselor. ROW 2: Mrs. A. Froemming, Guidance Secretary; Mrs. M. Zastrow, Registrar; Mrs. A. Danielson, Nurse's Aide, Mrs. C. Westby, Nurse.







BOTTOM TO TOP: Mrs. A. Roth, Tutor; Mr. D. Opsal, Work Experience Coordinater; Mrs. B. Flaig, Speech Therapist; Mr. T. Roos, Special Education; Mrs. K. Harstad, SLBP-Tutor; Mr. D. Anderson, SLBP-Lead.

Special education lends helping hand

The special education department works with students needing individual attention for a variety of reasons. The department assists students to overcome difficulties faced both in and out of school. Because the groups are small and so much time is spent individually, a special bond often develops between that student and teacher.

SOCIAL DEPARTMENT ROW 1: Mr. E. Wittenberg, Mr. C. Morrison, Mr. R. Domschot. ROW 2: Mr. S. Jaeche, Mr. B. Rader, Mr. B. Riggs, Mr. M. Donahue.

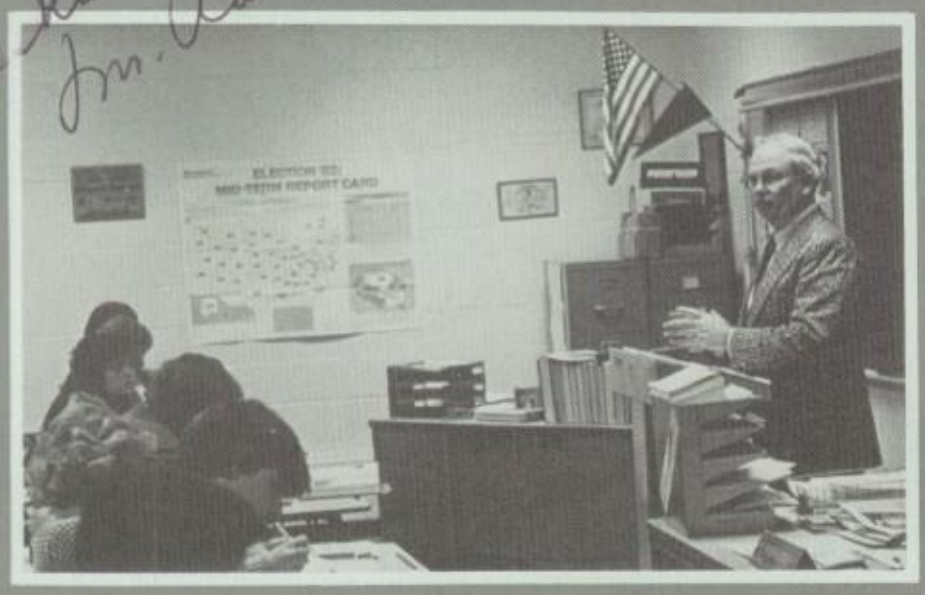
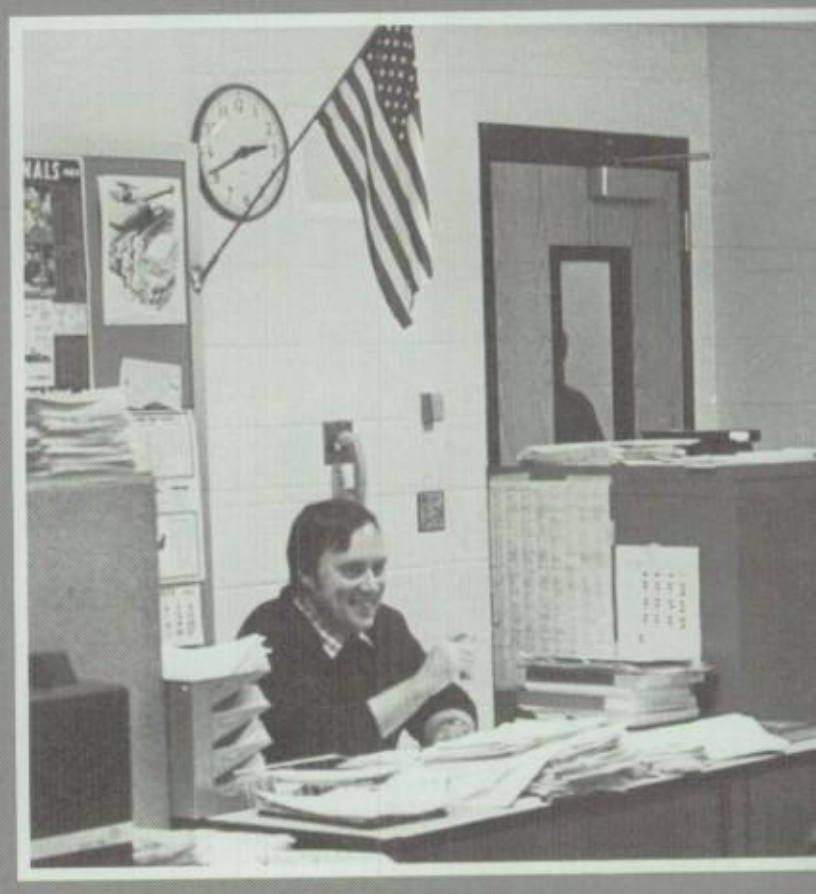
Students discover past and present in social studies





The social studies department helps students understand the nature and conditions of their country as well as the world. Teachers use films, role-playing, and group discussions as part of everyday classroom activities.

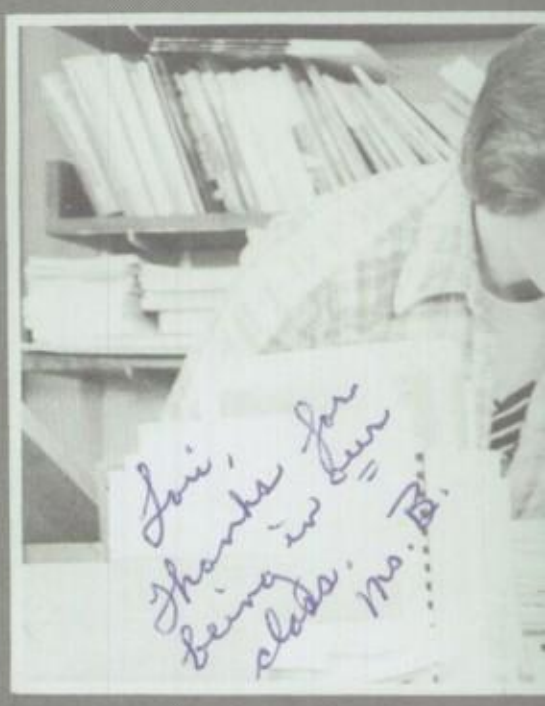
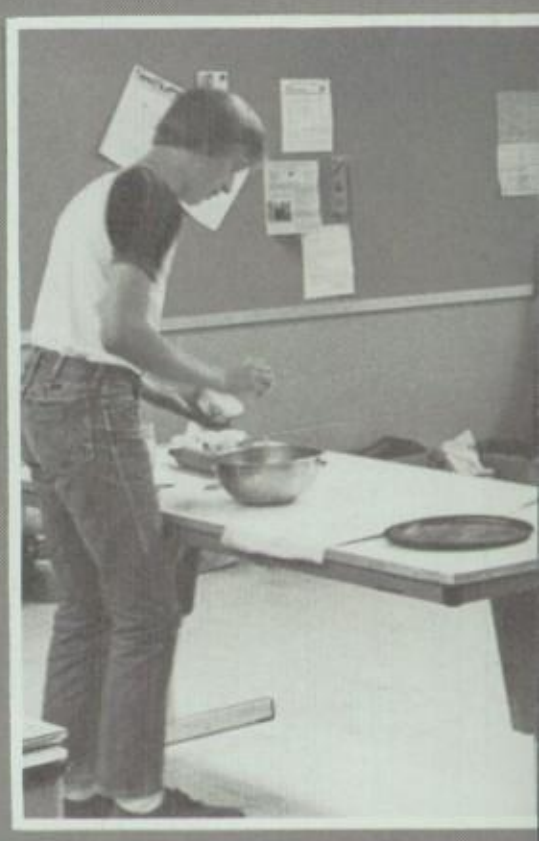
The foreign language program at Jefferson concentrates on the four basic language skills of listening, speaking, reading, and writing in French and German. Students in foreign language classes have a unique opportunity to test their skills and broaden their horizons by participating in French and German camps, in family stay experiences and by traveling to France and Germany.

Deutsch ist toll and Francais Est Fantastique

FOREIGN LANGUAGE Mrs. A. Riggs, French; Miss G. Durkee, German.

ENGLISH DEPARTMENT FRONT: Mr. T. Akenson, Mr. F. Koplin, Mr. J. Perdue, Mr. A. Karlsgodt. BACK: Mr. R. Reuter, Miss P. McCarty, Miss M. Bruflodt, Mr. S. Fodness.

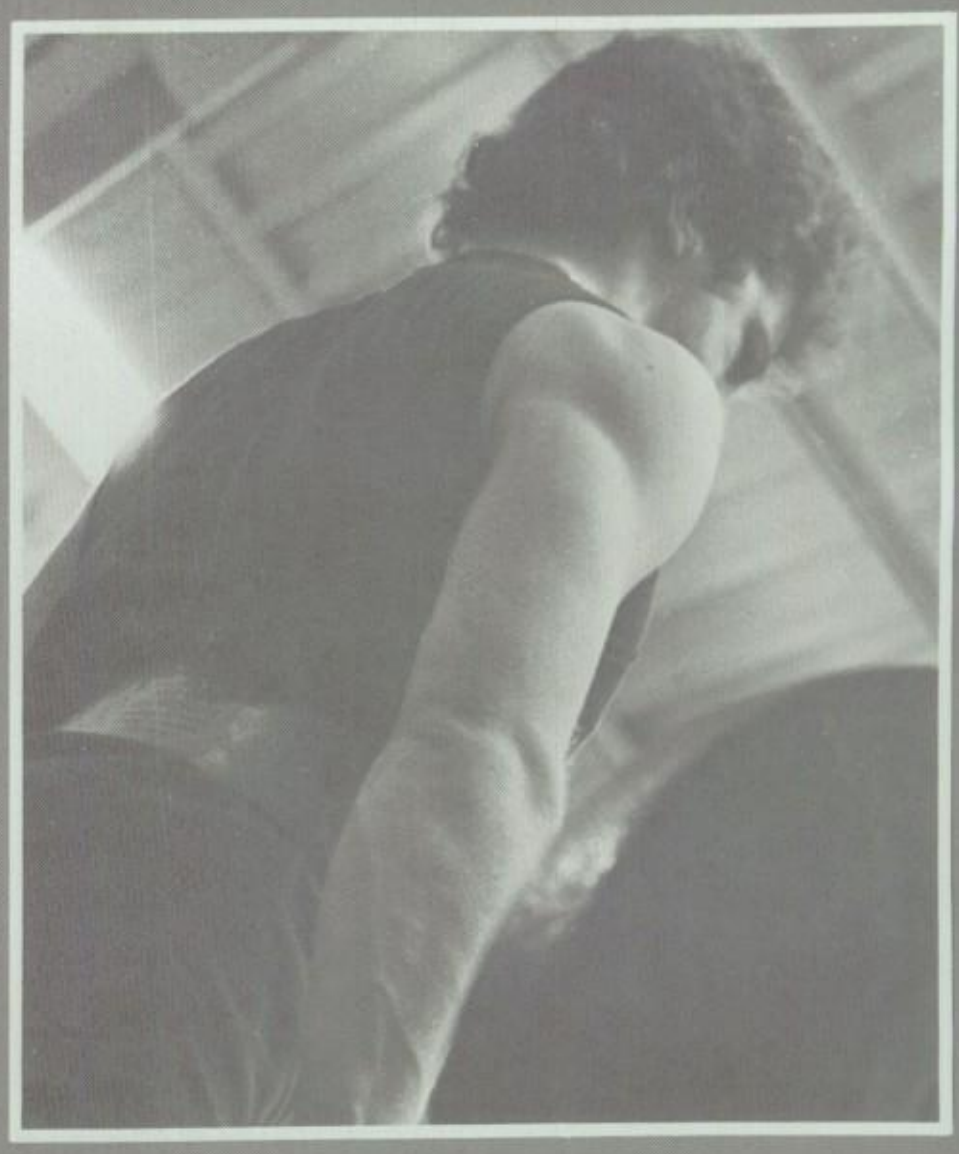




Poe, Plaidy, participles, plays and Perdue all part of English department

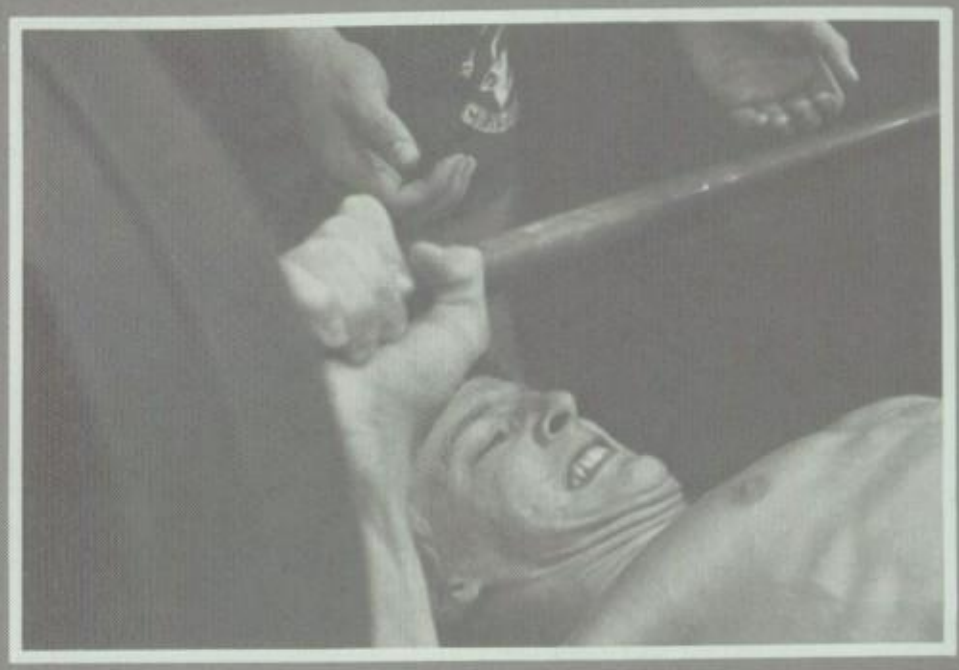
What do students who read Moby Dick, write descriptive essays, film commercials and act out scenes from great plays have in common? They're all meeting their English requirements. Through a variety of courses such as Speech and Drama, Reading Today for Tomorrow, Humanities, and Composition, students experience the pleasure of grammar, literature, writing, acting, and discussions.

PHYSICAL EDUCATION DEPARTMENT: Mrs. D. Anderson, Mr. K. Lewis.



From aerobics to weight lifting we keep in shape and get it together . . .

We can remember the risk of murderball, the embarrassment of trying to polka, and the bitter cold of December days playing broomball. Phy·ed elective courses offer students the choice of concentrating on individual sports, team sports, or weight training.



Health contains many varied topics ranging from physical to mental health. Physical health topics include body systems and functions, nutrition, and the causes and effects of disease. Another important subject covered in the class is drugs and chemical dependency. The CEASE program helps students become aware of the dangers involved in using drugs, and helps those who are in trouble. In addition, the health course involves a unit in career planning which is presented by the counselors.

From prevention and control of disease to career planning the quality of life becomes a serious matter

HEALTH DEPARTMENT: Mr. R. Johnson.

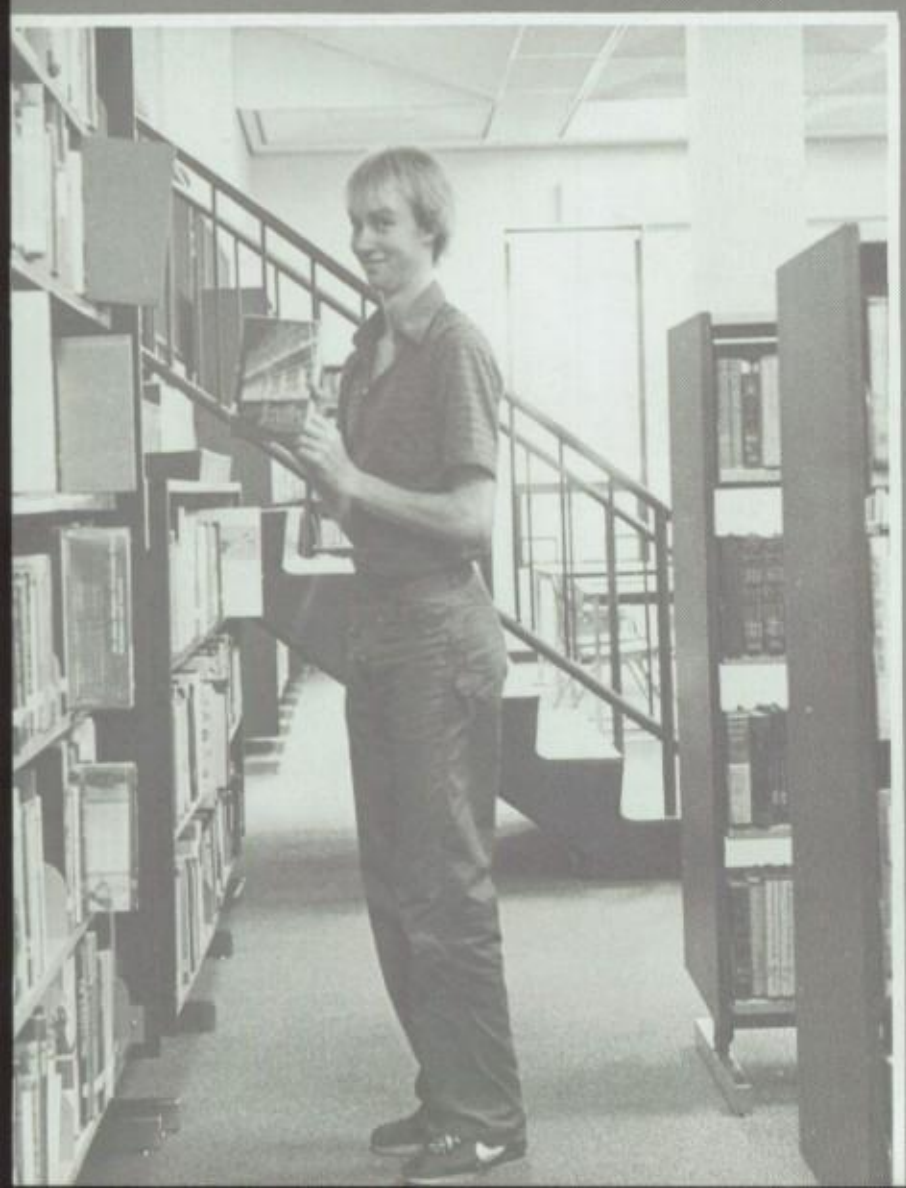
MUSIC DEPARTMENT Mr. J. Anderson, Band; Mr. L. Dehlin, Choir; Mr. D. Dainsberg, Orchestra.

Music offers more than treble clefs and grace notes.

Students participating in the music program at Jefferson have opportunities to develop skills in music performance. Through band, orchestra, and choir students gain experience performing a variety of music. Band students prepare for three months to attend the solo ensemble contest. The choir attends four contests, ending the year by taking a trip to the Twin Cities to perform for two high schools. The orchestra performs three concerts during the year. The Rainbow Strings and the Carolers are heard many times in various locations in the community.

Students gain knowledge from over 14,000 editions

The media center serves many purposes. Under the supervision of Mr. Bauer and Mrs Nelson, students can study, research, or relax by reading magazines. Students often come to the media center during study hall. It is a very versatile area, as meetings are often held there. Some night school classes are also held in the media center. Teachers may check out audio-visual equipment, filmstrips, and video tapes to use in their instruction. The school year of 1982-83 was a special one for Mr. Bauer. After 25 years he chose to retire. He had been with the school District 206 since the fall of 1958.



MEDIA CENTER: Mrs. R. Nelson, Library Aide; Mr. R. Bauer, Media Specialist.

Best Wishes

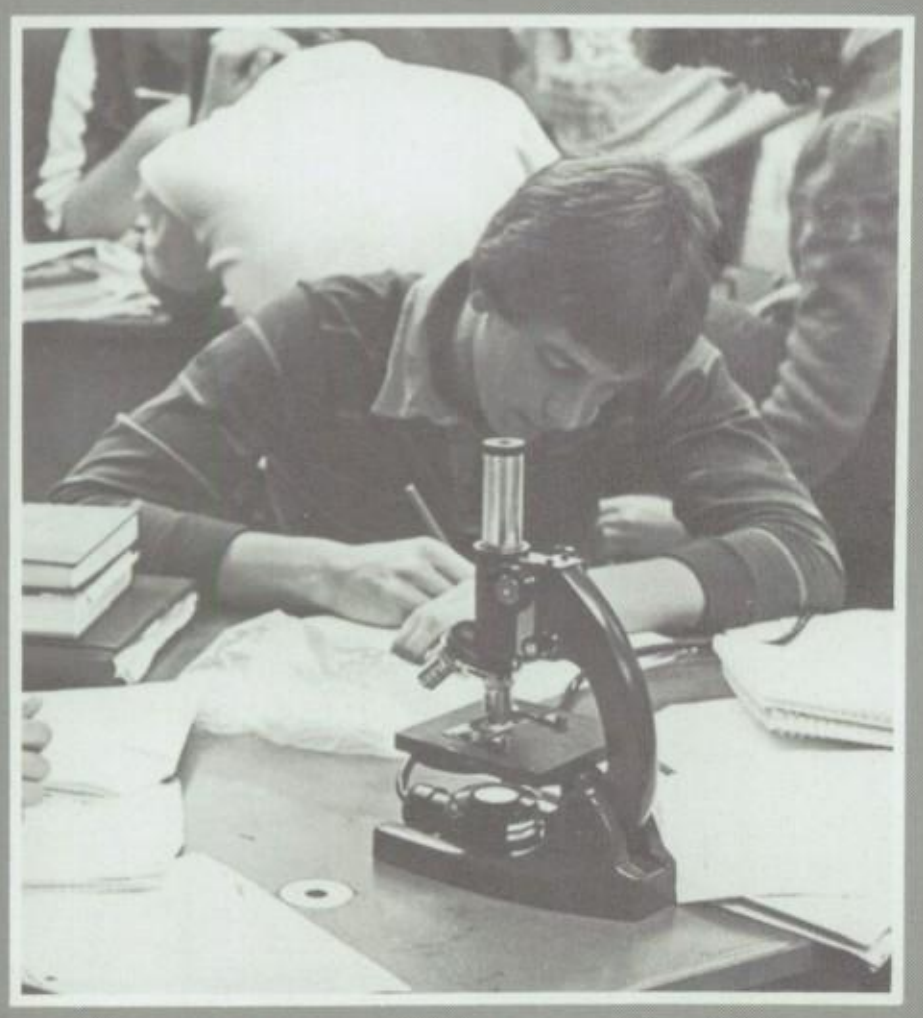
MATH DEPARTMENT FRONT: N. Syverson, T. Christenson, B. French. BACK: D. White, C. DeJong, G. Vorachek, E. Anderson.

Students realize importance of math

Computers have become a significant part of the math department. Enrollment in the computer courses totaled over 160 students. Although a math course isn't required to graduate, 90 percent of the graduates have taken one math course in senior high. Courses include business math, college-prep calculus, probability and statistics, algebra, and geometry.

SCIENCE DEPARTMENT: C. Krump, Mr. Bones, B. Banke, J. Esbjornsson, R. Loucks, D. Zinda.

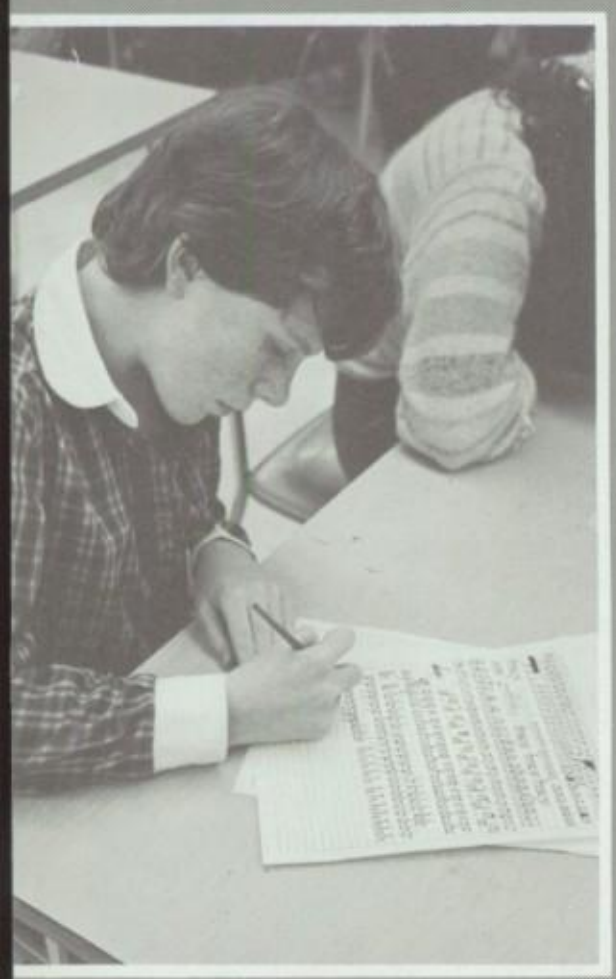


Microscopes, scales, compouns, chemicals, cats, $E=mc^2$ familiar to science students

The science department, like all other departments, was affected by budget cuts. Despite cuts in instructional supplies, the department managed to maintain a well-rounded program. Classes included animal study, chemistry, human physiology, introduction to biology, and physics.

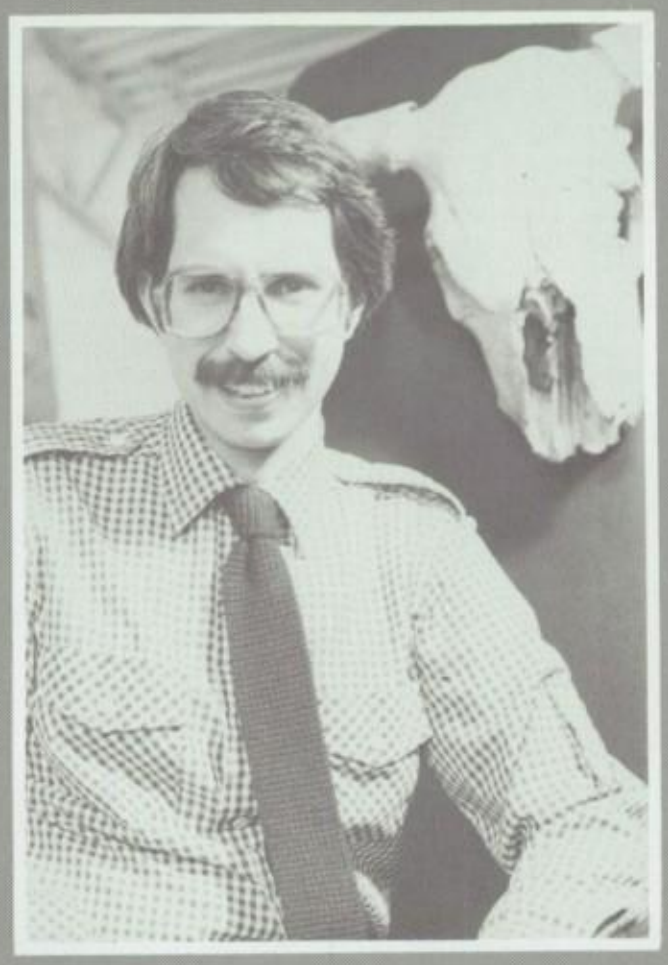
Classroom experiences in the home economics department deal with many aspects of one's home environment. There are many areas covered in home economics that help prepare students for effective living. No longer is home economics merely cooking and sewing. Courses cover a variety of issues important in family life, parenting, kitchen, and home management.

Home Economics: F. Kraft, A. Branch.



Rembrandt, f/stops, still lifes, charcoal, easels, enlargers, and exhibits familiar to art students

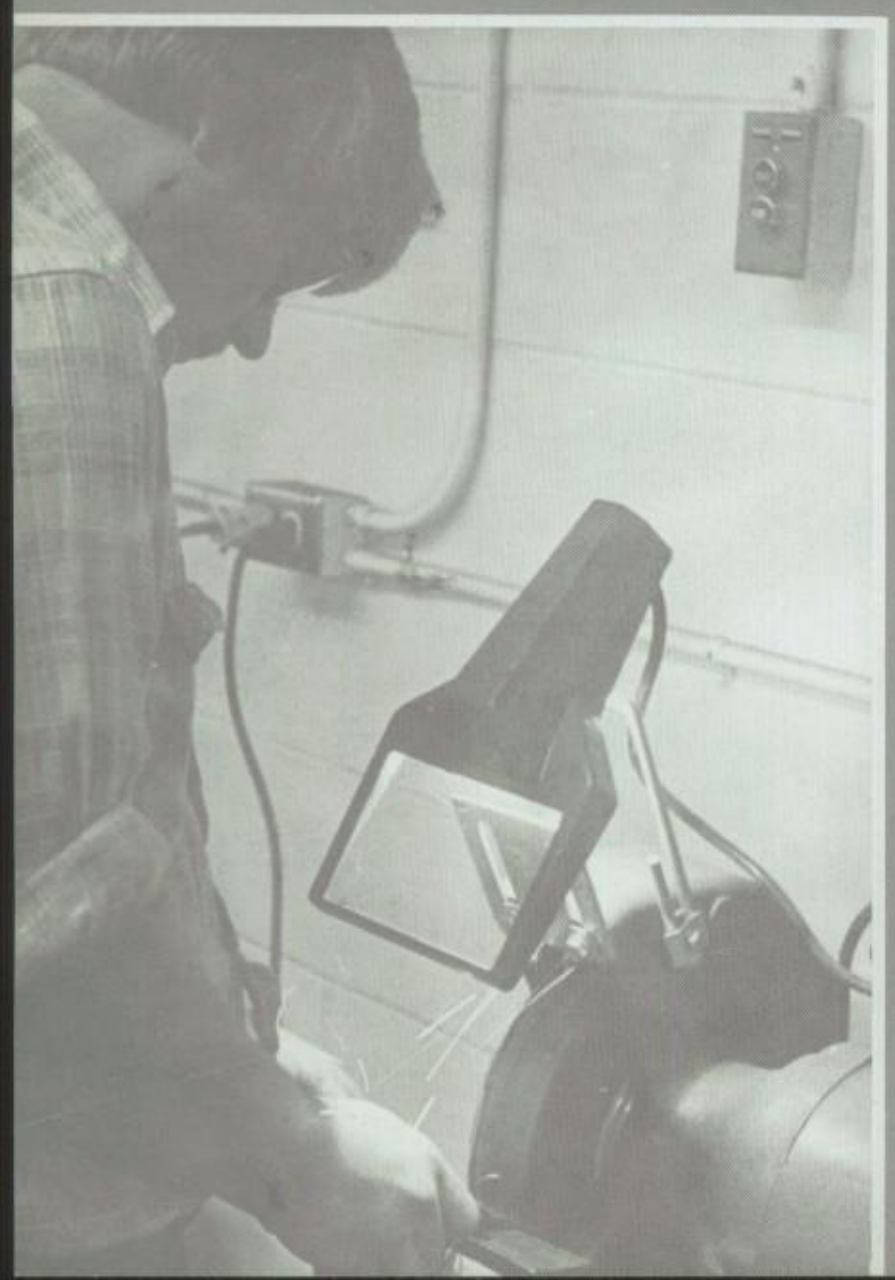
The art department helps students develop visual awareness and art skills. A variety of courses are offered which allow students to encounter many areas that may lead to a career or a more worthwhile use of leisure time.



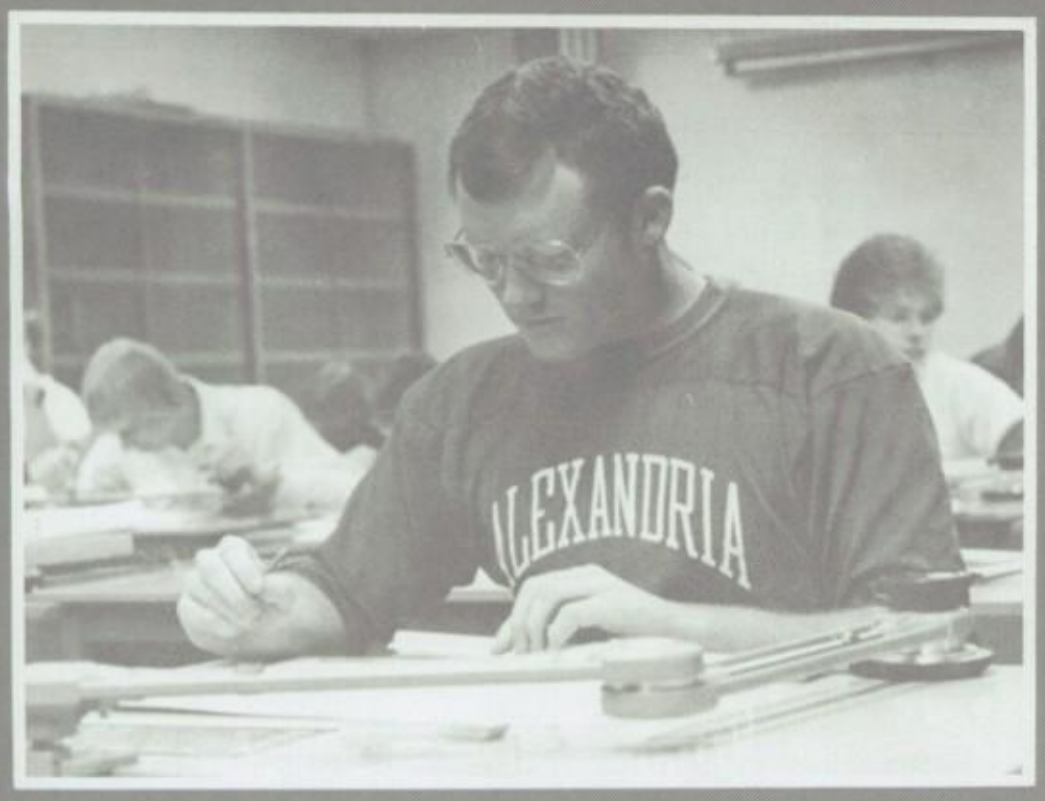
Mr. J. Capistrant, Art

Agriculture students prepare to meet the changing world of farming.

Mr. B. VanZomeren, Vocational Agriculture; Mr. D. Petersen, woods and drafting; Mr. M. Larson, metals.



The Vocational Agriculture Department helps prepare students for a career in the important fields of agriculture. Students have many chances to fulfill their goals by participation in classroom activities or as a member of Future Farmers of America, Alexandria Chapter. Agriculture includes horticulture, forestry, mechanics, agriculture business, animal science, and farm building and construction.



Technique, safety, and craftsmanship all part of industrial arts program

With twenty students in a classroom, industrial art instructors took advantage of the opportunity to give individual help to students. With six well-equipped classrooms, students had the opportunity for "hands-on" experience in woods, metals, drafting, and mechanics. This exposure is valuable for the do-it-yourselfer and the student preparing for a future career.

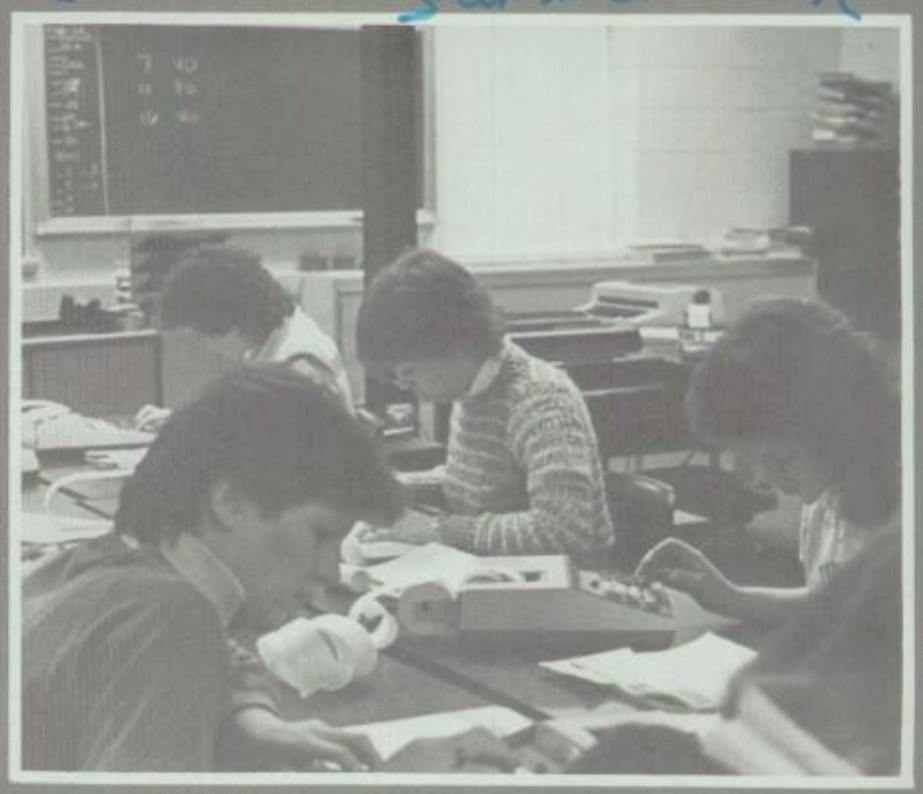
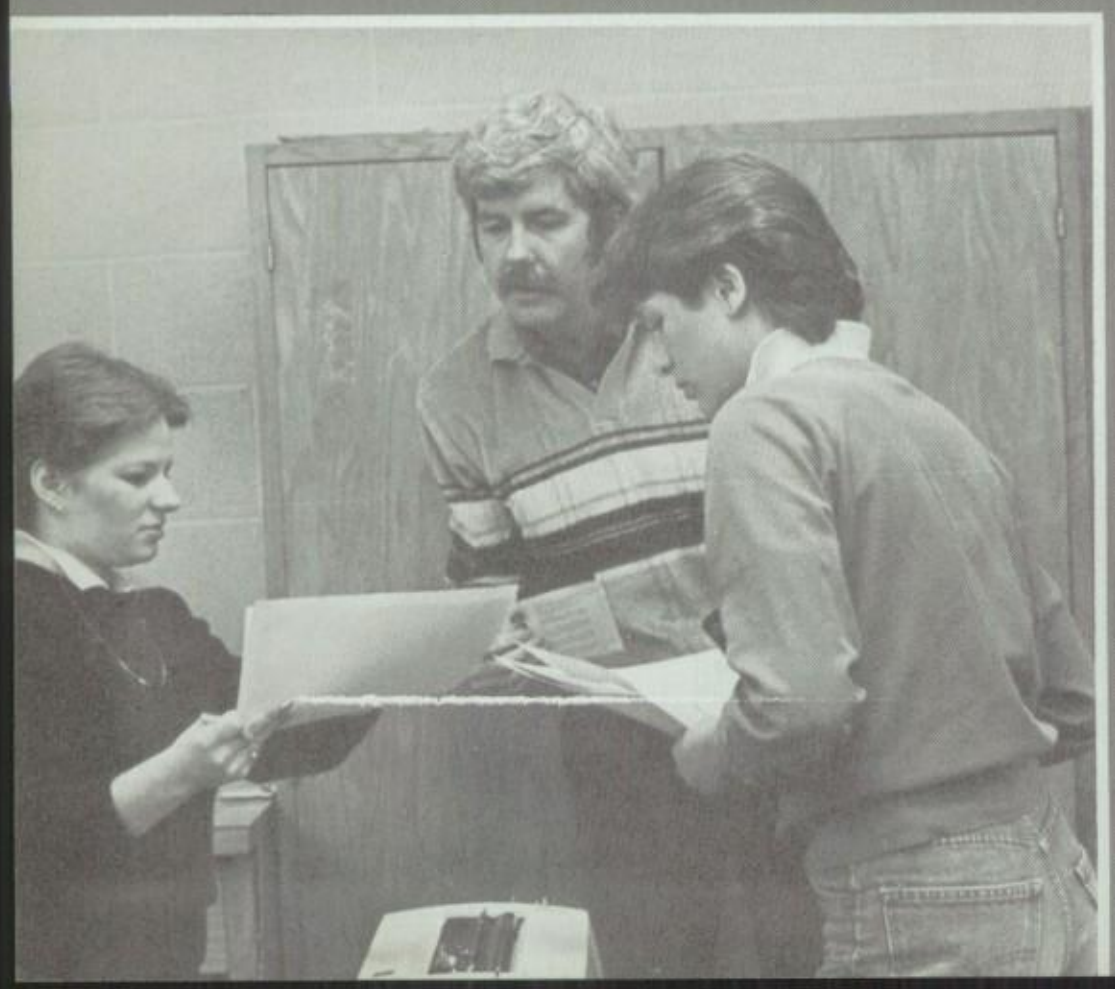
See you—have a nice summer! L.R.

Business department keeps pace with advancing technology

The business department offers a wide variety of courses, machines, and equipment. The purpose of business classes is to teach basic skills for office and personal use. To keep up with the advancing world of technology, the business department added computers and word processors.





RUNESTONE VOCATIONAL CENTER FRONT: R. Snyder, Auto Mech; C. Bluhm, secretary; E. Holm, Director, L. Dzuik, child care; L. Bohnen, building trades. BACK: J. Gardner, food service; G. Hoidahl, electronics; P. Trandahl, health occupations. S. Carlson, model office; B. Schmidt, auto mech; M. Winkelman, technical tudor.

RVC serving students with strong vocational interests

Learning by doing — that's part of the philosophy of the Runestone Vocational Center. The RVC had seven programs available for students from Alexandria, Brandon, Evansville, Villard, add Osakis high schools. The programs offered included electronics, food service, child care, health occupations, model office, building trades, and auto mechanics. Over 190 students attended the center from the five school districts. District 206 budget cutbacks put the RVC on shaky ground. As a result, hours were cut from six to four hours a day.

Boys' track team places fifth in sub-region

The 1982 boys' track team was coached by Mr. Domschot and led by tri-captains Todd Roth, Jeff Gigstad, and Steve Haarstad. With few seasoned sprinters, the young team went on to place fifth in sub-regions and seventh in conference. Jeff Gigstad qualified to compete in the discus in state competition.

Girls' track has outstanding season

Under the leadership of co-captains Robin Paine, Kari Hovda, and Ruth Steidl, each 1982 girls' track team member contributed to a great year. The squad placed fourth in the Central Lakes Conference, second in Region 8AA South, and fifth in Region 8AA.

ROW 1: Cindy Braaten, Wendy Wallin, Lisa Myrin, Robin Paine, Chris Herzog, Theresa Holly, Gail Johnson, Barb Smith. ROW 2: Becky Anderson, Tracy Williams, Barb Lee, Chris Sax, Paula Nelson, Jodi Kaufman, Ruth Steidl, Michelle Kern, Stacy Mulhulland, Sheila Guenther. Alex baseball puts two players on all-conference team

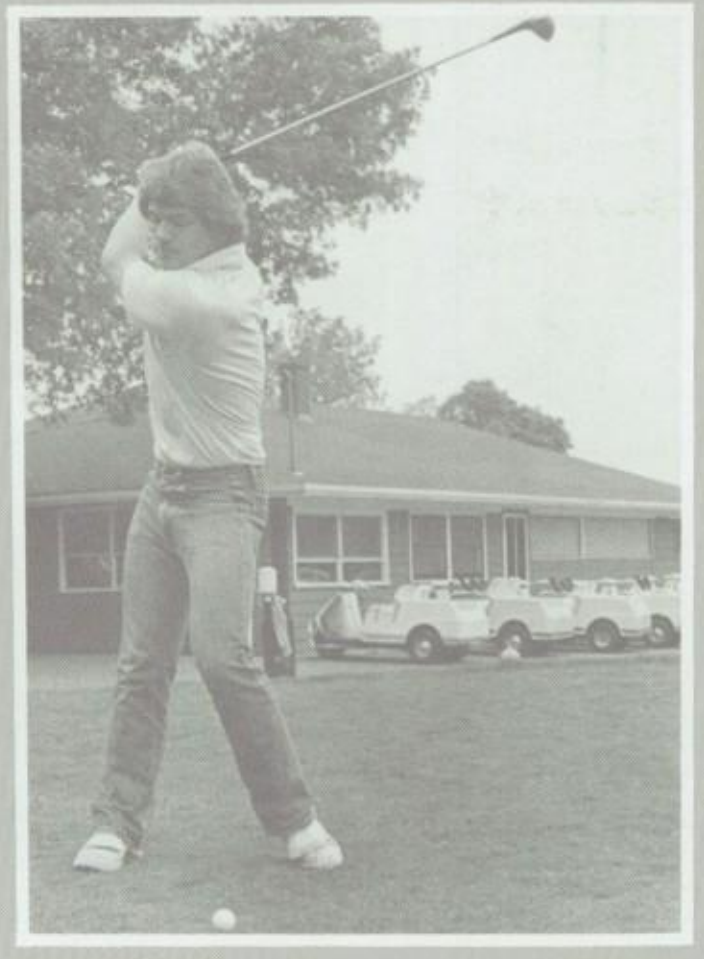
The 1982 baseball team had its ups and downs over the season with a 5-10-2 record. Tom McCoy and Bryan Raguse made the All-conference team because of outstanding play. The most disappointing game came in the sub-region championship with the Cardinals losing 7-6 in the last inning to St. Cloud Apollo.

GIRLS' SOFTBALL ROW 1: Tenley Anderson, Gina Vorachek, Jeanette Joyce, Danette Lehrke, Marcia Carlstrom. ROW 2: Carrie Robotcek, Leslie Ziesmer, Peggy Schjei, Eva Ekola, Karen Licht. ROW 3: Coach Mr. Donahue, Lori Radil, Becky Nordstrom, Sue Neller, Sheila Schmidt, Shawn Johnson, Dawn Larson.

Young team gains valuable experience

The girls' softball team had an overall season record of 7-10, and 2-5 in Central Lakes Conference play. The team felt that it reached many of its goals in spite of the scoreboard. Co-captains Carrie Robotcek and Peggy Schjei lead the team with enthusiasm and spirit.



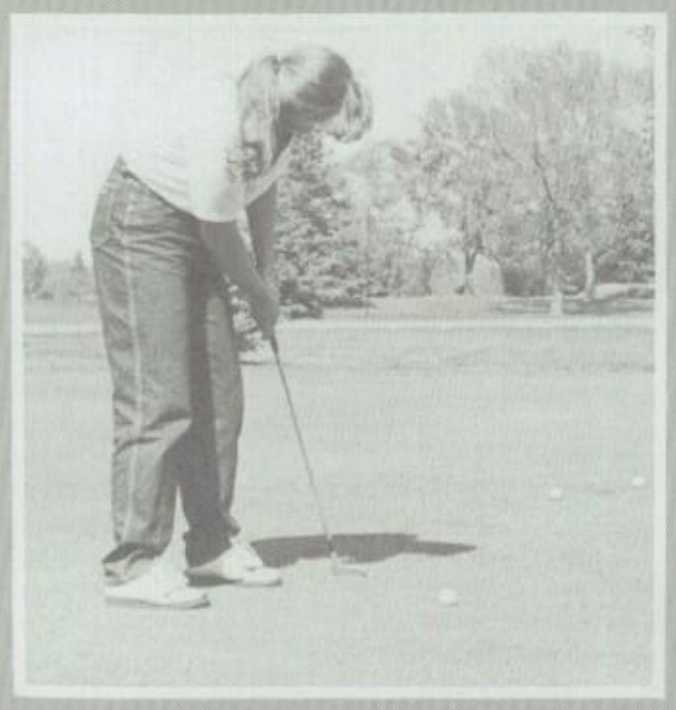
The 1982 boys' golf team proved that practice, patience, and determination pay off. The team placed fifth in the conference and second in Region 8AA. Mike Lehman, the youngest team member, was named to the all-conference team.

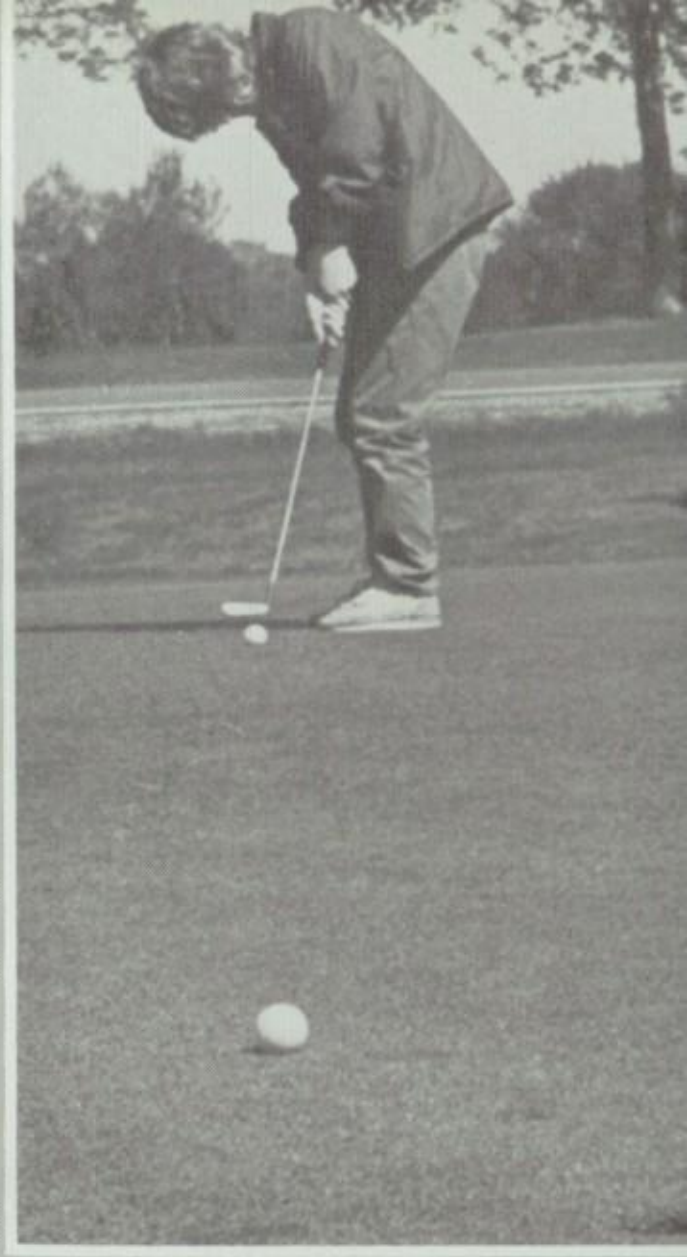
Boy golfers place second in regions

ROW 1: Mike McFeely, Todd Johnson, Bob Braun, Jeff Anderson. ROW 2: Craig Erickson, Henry Schutz, Mark Fliescher, Al Hagen, Coach Mr. E. Anderson.

Girl golfers swing their way to regions

Although the 1982 girls' golf squad was very young, it proved that it could handle the opponents. The team placed third in the Central Lakes Conference and second in Region 8AA. Led by Shannon Abrahamson, Jill Esala, and Renee Moen, the squad had great dedication which led to the terrific season.





ROW 1: Sue Haskins, Martha Greengo, Shannon Abrahamson, Jill Esala, Julie Callfas. ROW 2: Wendy Esala, Andrea Zinda, Stephanie Bettin, Maryann Anderson, Deb Lommen, Sonja Bloomquist, Coach Mr. Perdue

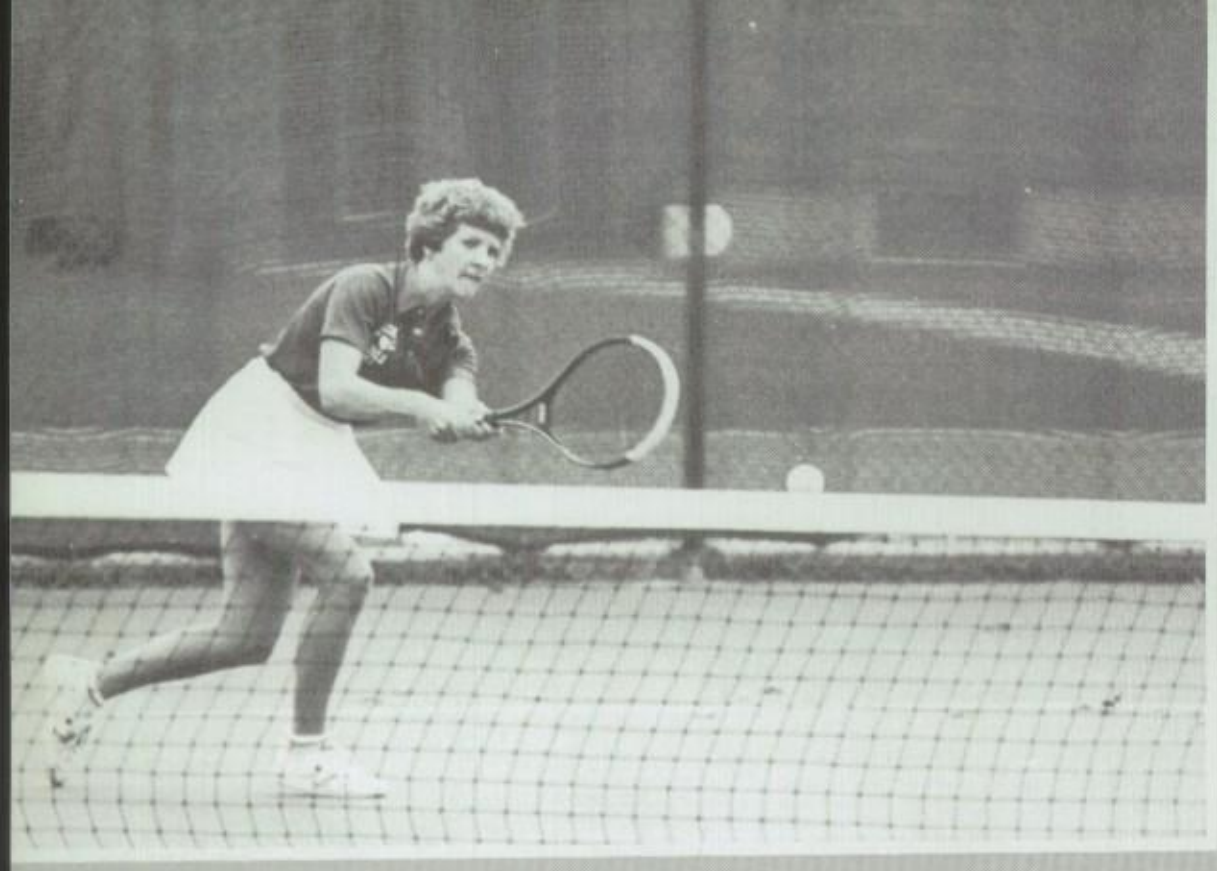
Boys' tennis team serves up to a winning season

The boys' tennis team had a high-spirited season with a 9-6 overall record and 2-4 in conference play. Pete Riggs and Dave Shelstad co-captained the netsters with great leadership. Because of excellent play throughout the season, Dave Shelstad was selected to the All-conference team.



Girl netters have smashing season

The girls' tennis team, under the leadership of Katie Partington and Gina Vorachek, had a great season. The squad was strong and talented in every position. An 11-4 record was recorded by the 1982 team and it placed fourth in regions. Gina Vorachek was selected as the hardest worker, Katie Partington as most valuable player. Carrie Richardson was voted as the most improved player for 1982.

GIRLS' TENNIS ROW 1: Gina Vorachek, Jane Halverson, Tina DeJong, Kim Trisco, Andrea Zinda. ROW 2: Lynn Peterson, Kristi Mische, Jenny Johnson, Chris Deick, Christie Maday, Renee Moen, Carrie Richardson, Katie Partington. Girl swimmers are dangerous when wet

The 1982 girls' swim team had an excellent season. There were only two experienced seniors and eight of the sixteen varsity swimmers were in junior high. The two-year, twenty-one meet winning streak ended with some disappointment when the team lost a close meet with St. Cloud Tech. However, at the Conference Championships, Alexandria kept its composure and took top honors by defeating Tech by two points. The following week, the team earned its way into state competition by claiming victory in the regional meet held in Brainerd. The state meet was held at the Cooke Hall Pool on the University of Minnesota campus.

ROW 1: E. Pederson, D. Christianson, D. Rademacher, S. Huschke, B. Rutten, C. Betterman, Manager N. Reiter.
ROW 2: R. Lindstrom, M. Ritten, J. Peterson, M. Widstrom, M. Huffman, E. Anderson, Coach Mr. M. Nelson.

The 1982 football team had a tough season with an 0-9 record. There were no returning starters, giving every player on the team a chance to play in a varsity game. Jim Blanshan and Brent Olhausen captained the team until both were injured in the third game of the season. Bob Braun and Corey Olson took over as captains of the team. Roger Campbell was named Most Valuable Player for his ability as a runningback and punter. Roger was one of the top punters in the conference, and, as a runningback, he had a spectacular 78-yard run in the game against St. Cloud Tech. Greg Johnson was named to the All-Conference Team.

The 1982-83 hockey team was an experienced team with 10 returning letterman. Mr. Donahue was the head coach and Mr. Palm was the assistant coach. Todd Bork and Corey Olson were elected as team co-captains. The team started out with four wins, the best beginning of a season in Cardinal hockey history. The pucksters ability was shown in a 6-1 triumph over Detroit Lakes. The Cardinals overall season record was 8-12.

Lori,
Morrie's class sure was rowdy. You have to admitt he is a diffeent kind of Teacher. Homeroom was also fun but I wish we would have had more good Mengh. Next year we will have to be really rowdy since its our senior year.
I hope you have a great Summer and maybe I'll run into you sometime
catch you later

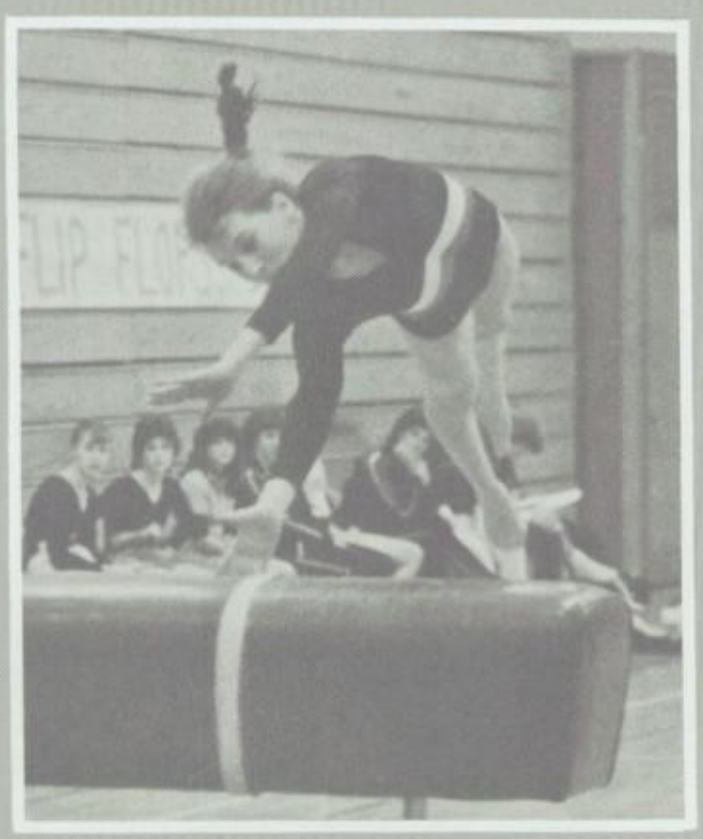
Season proves challenging for girl cagers

The 1982-83 girls' basketball team was spirited by co-captains Gina Vorachek and Sue Neller. Gina Vorachek led the team in scoring, reaching her 1,000 point career goal. The cardinalettes had a challenging season and tallied wins against Rocori, Willmar, Cambridge, and St. Cloud Apollo.

BOYS' SWIMMING ROW 1: K. Lewis, Coach; D. Irgens, M. Widstrom, N. Enberg, J. Johnson, J. Johnson, A. Hunt. ROW 2: M. Haase, P. Pfeffer, M. Johnson, R. Sherman, J. Merickel. ROW 3: S. Haase, Student Manager; J. Golden, J. Chan, N. Weisel.

Senior co-captains Mark Widstrom and Jim Merickel led the 1982-83 boys swimming team to a 7-6 record. The squad showed their spirit by dying their hair, which helped them get mentally prepared for the Central Lakes Conference meet, where they took 4th place out of 8 teams. Coach K. Lewis commented, "This team has grown in mental and physical maturity. They are a team of the future with great potential."

Gymnasts undertake rebuilding season



The 1982 season proved to be a rebuilding one for coach Ms. J. Thiel and her gymnasts. The team was very young. More than one half of the team was made up of junior high students. Although experience in varsity competition was lacking, the girls were determined and finished with a 7-8 conference record.

STUDENT COUNCIL OFFICERS ROW 1: P. Aslagson, Secretary; S. Davis, Treasurer ROW 2: J. Merickel, Vice-President; P. Pfeffer, President.

Student Council is the student government of Jefferson. It sponsors Homecoming and Midwinter in addition to a number of dances held throughout the year. Student Council also promotes cooperation between the community and students. The Can Drive was an example of Jefferson students participating in a community project. Over one thousand cans of food were collected in homerooms during the week before Thanksgiving in order to provide others with a Thanksgiving meal. Elected representatives of Student Council voice concerns of students during the year.

STUDENT COUNCIL ROW 1: S. Shelstad, K. Partington, S. Mulholland, M. Ginther, J. Brever, B. Steffen. ROW 2: K. Strand, S. Hooper, K. Mische, T. Kolstad, K. Brever, C. Faber, M. Maru. ROW 3: J. The Distributive Education Club of America is the vocational youth group for students enrolled in distributive education and sales and marketing classes. Members have the opportunity to attend workshops at the state DECA conference in St. Paul. Other major activities included the District Competitive Events Conference and the State Competitive Events Conference in March. The National conference will be held in New Orleans. DECA members raise money to attend these conferences by selling soap, calendars, and candy bars.

ASSOCIATION FOR RETARDED CITIZENS ROW 1: M. Diedrich, K. Martin, A. Klimek. ROW 2: Mr. Roos, A. Zeithamer, L. Jesperson, R. Finke.

The Association For Retarded Citizens is interested in helping the mentally handicapped. This active youth group sponsored many activities including a bake sale, a Christmas party, a rollerskating party, and additional recreational activities involving the handicapped. ARC-Youth also helped supervise the Special Olympics. The funds raised by the ARC-Youth are given to the local chapter of ARC for community projects.

Students in Minnesota Office Education Association work together in order to further their interest in business. Members compete in a variety of business skills events held on regional and state levels. MOEA helps students find part-time training in different jobs outside of school. Local officers were Marsha Cook, president and Val Elsner, vice-president. During 1982-83 three regional officers were from Alexandria: Julie Millard, President; Patti Hauer, Secretary; and Kathy Koudela, Parlimentarian.

The Civil Air Patrol, an auxiliary of the United States Air Force, has essential emergency functions to perform for the federal government including search and rescue and assisting in civil defense emergencies. CAP helps develop aerospace leaders through a regular course of aerospace education, moral leadership, and physical fittness. Leigh Anderson and Mike Harstad were CAP members.

Future Farmers of America members are students involved in agriculture. The members learn new and better agriculture techniques from first hand experience. A major project was selling fruit and popcorn to enable eight FFA members to attend the National FFA Convention in Kansas City. While at the convention the FFA members attended several meetings dealing with new and better ideas concerning the FFA program. A few of the highlights at the convention were a speech by the Secretary of Agriculture and a performance by Barbara Mandrel.

The Alexian staff works on the production of an original yearbook that will reflect activities of the school year. Although the final book requires teamwork, special page assignments are given to each member. The staff creates detailed layouts for every page of the yearbook. Choosing the right photo, writing accurate copy, and meeting specific deadlines are just some responsibilities of the Alexian staff.

Clubs provide members with experiences to remember

The yearbook staff would not exist without the photo staff. Each photographer works on a special section with the layout staff to plan and complete pages of the yearbook. Each photographer takes photographs of all events and student life at Jefferson. The staff photographers process nearly all the pictures used in the Alexian and Jeffersonian.

The National Honor Society is a group of students who have been recognized by teachers for their outstanding individual performance. After qualifying for candidacy by meeting specific scholastic requirements, students are elected to NHS membership on the basis of outstanding leadership, service to the community and school, academic success, and extracurricular involvement. This year the NHS worked on student and community service projects. Scholastic competitions were also attended by NHS members at local, area, and state levels.

The Wind Ensemble began the year with an outstanding half-time marching show during the Homecoming football game in October. The Pep band, comprised of members from the Concert Band and the Wind Ensemble, performed at many sport events. Performances at the Christmas concert, the Kiwanis concert, and the Pop Concert made up the year's schedule. Both bands participated in group and solo-ensemble competition. Mr. John Anderson directed the band program.

The Jazz Ensemble is a group of eighteen musicians selected by Mr. Anderson, director. The ensemble competed in a large-group contest in addition to performing at a jazz festival held at the U of M, Morris. The talented group also performed at the spring Pop Concert and several community events.

The Jefferson Flag line is a group of girls chosen to lead the marching band procession. They performed in the halftime marching show at the homecoming football game. The flag line started practice in April in preparation for summer parades attended by the Jefferson band. Mrs. Backes was director of the flag line this year.

Lori - Well, I've said it a million times already this month, but next year at this time we'll be graduating. Any-way I'm glad that we at least got two classes together this year. Rader's class was the most fun that we've had. Rader's class. Sad - that hates the sake. I hated that class so much, it just about made me puke.

SPECIAL THANKS

Yerka Studio

Jefferson Faculty

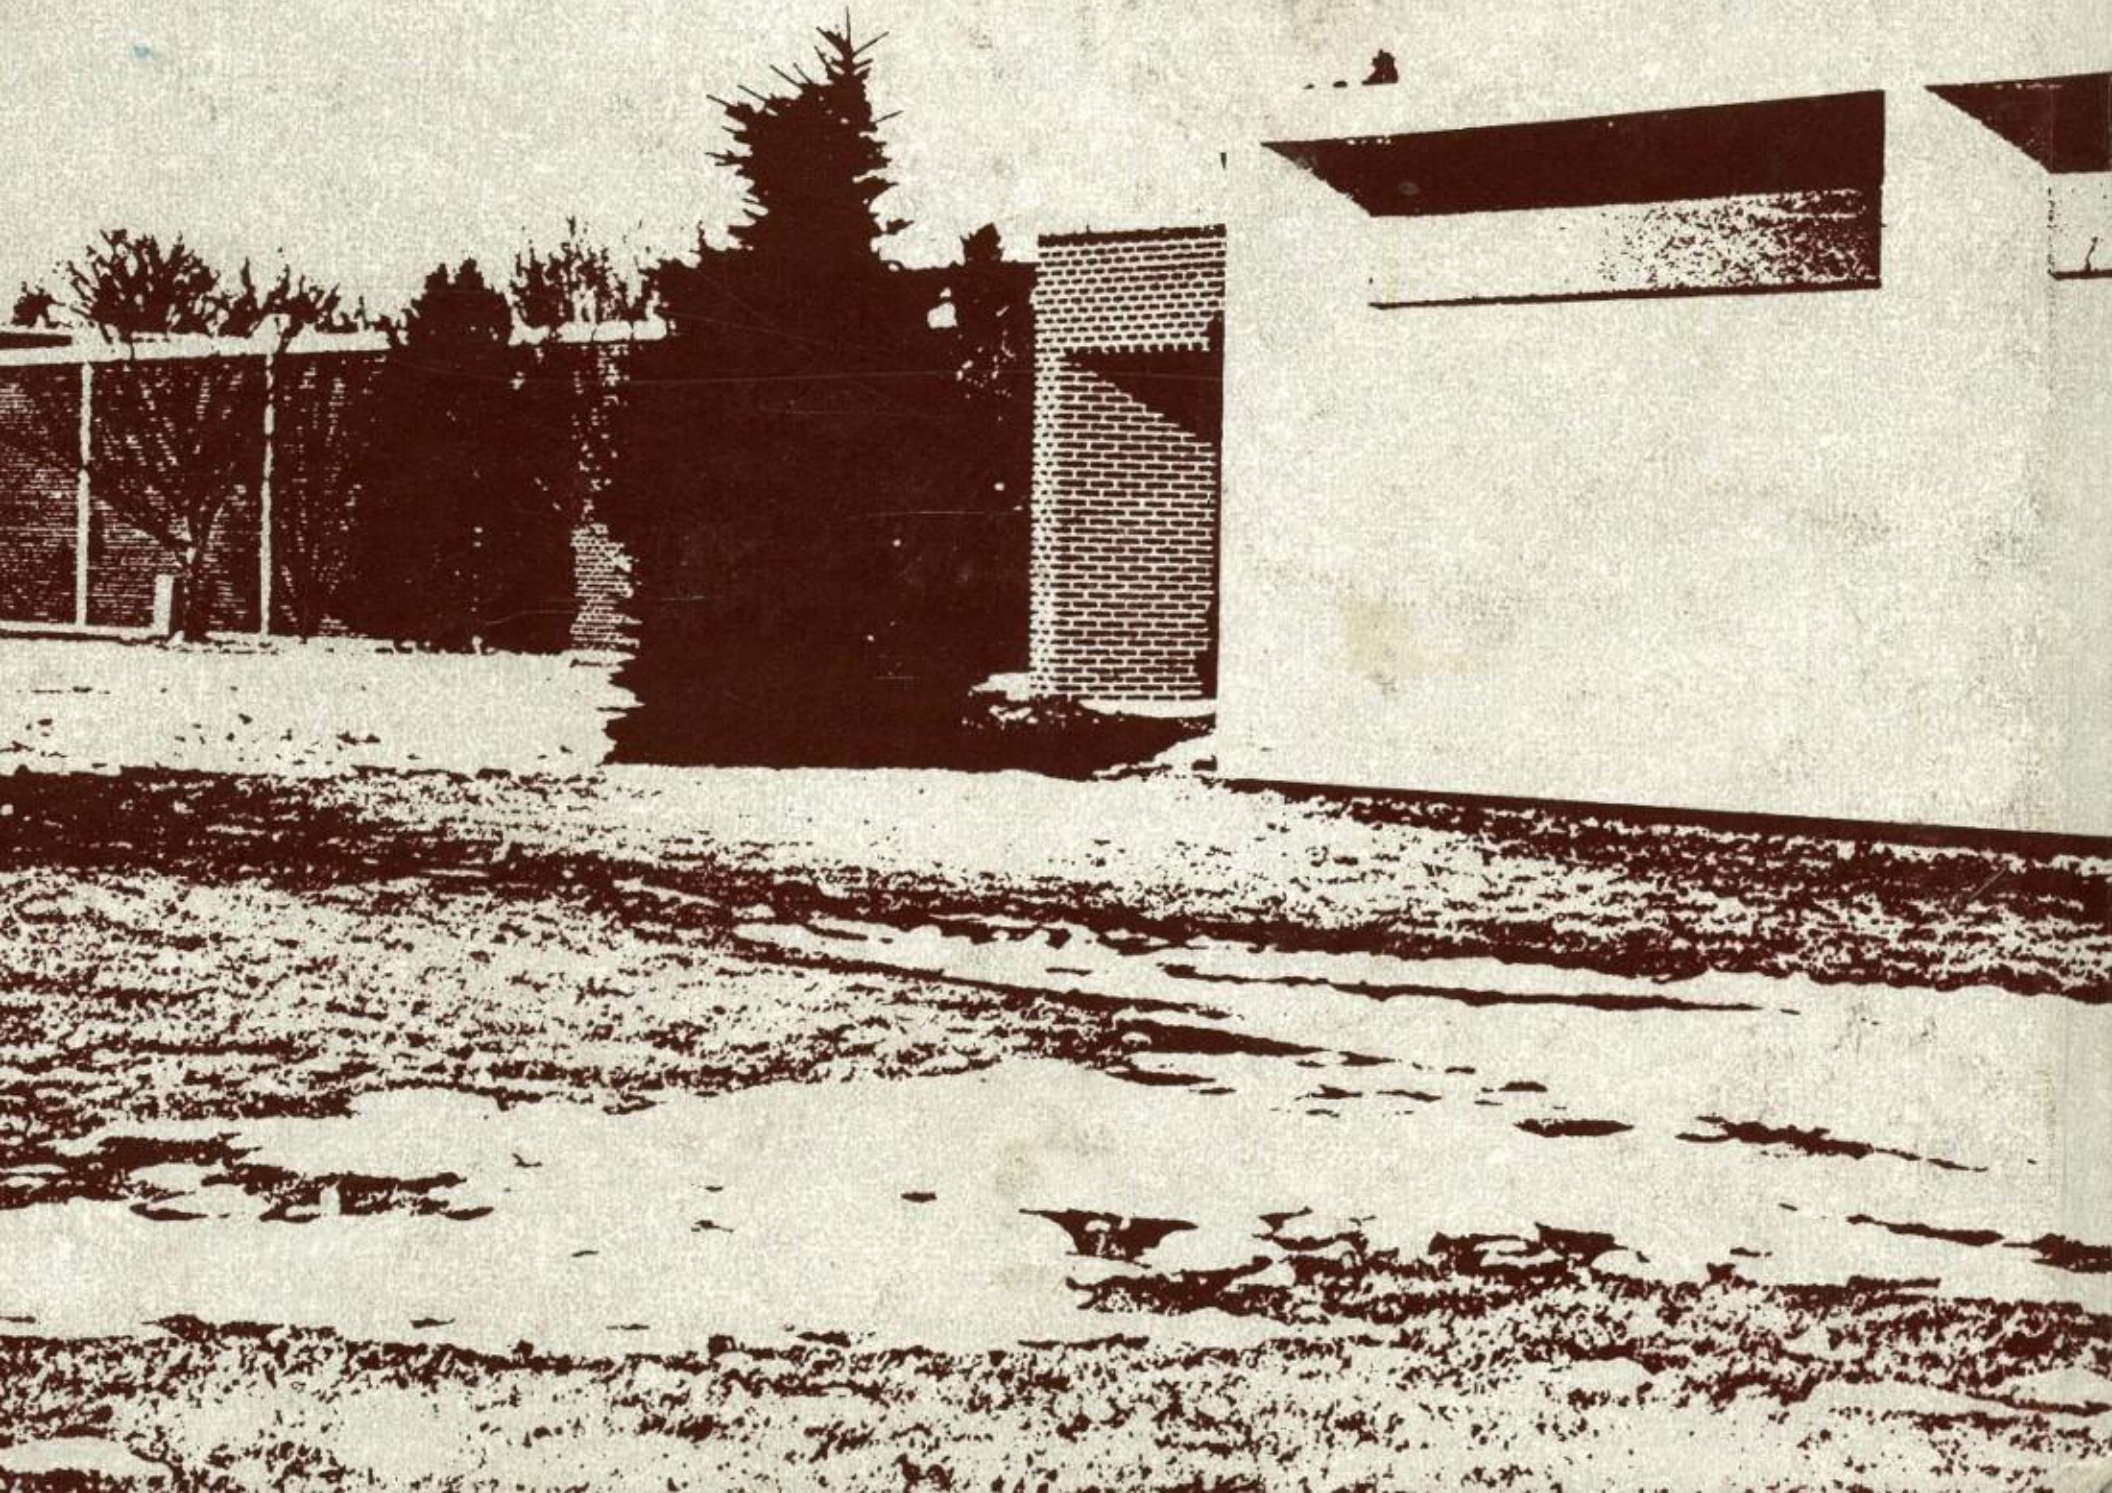
I'm glad that you and Mike got together and your happier now than you were with Jim. We'll have to do a lot of fun stuff this summer like we used to when you were with Jim, but that's old times and I won't mention it anymore. But we still have to do some crazy stuff like we used to. Mike can come along, too. I get along with him real well. Better than with Jim any-way.

I really missed you while I was sick. I started to think everyone was deserting me. No-one came to visit, no-one ever called. I thought that all of my friends had just used me just as some-one to talk to, no-one who was a true friend. But now that I'm all better I'm never going to get sick in April again. Especially during school.

I guess I've written about enough, although I could write a book about all the fun times we've had this year. all the hard times, and all the memories...

F/A + F/F

Love,
Twylla

Lori,
Thanks for all the times you pulled my chair back (in 4th Hour) and gave me a heart attack with it! Only kidding! You are so terrific! Kato, if only we had a class with all three of us (You me + Turylla) it would be a blast! May be next year, we will see each other. Have fun with cousin Mike over the summer, I'll see you next year! Keep


Stay sweet as you are now!
Yours
Vicki
